

## Know the following acronyms

|        |   |  |
|--------|---|--|
| ACE    | - | <u>Automatic Computing Engine</u>                        |
| BINAC  | - | <u>BINary Automatic Computer</u>                         |
| CRT    | - | <u>Cathode-Ray Tube</u>                                  |
| EDSAC  | - | <u>Electronic Delay Storage Automatic Calculator</u>     |
| ENIAC  | - | <u>Electronic Numerical Integrator And Computer</u>      |
| IBM    | - | <u>International Business Machines</u>                   |
| IC     | - | <u>Integrated Circuits</u>                               |
| LCD    | - | <u>Liquid Crystal Display</u>                            |
| MODEM  | - | <u>MOdulate and DEModulate</u>                           |
| RAID   | - | <u>Redundant Access of Independent Disks</u>             |
| SEAC   | - | <u>Standards Electronic Automatic Computer</u>           |
| TCP/IP | - | <u>Transmission Control Protocol / Internet Protocol</u> |
| TRE    | - | <u>Telecommunications Research Establishment</u>         |
| UTM    | - | <u>Universal Turing Machine</u>                          |
| UNIVAC | - | <u>UNIVersal Automatic Computer</u>                      |
